MAYOR'S MESSAGE

Since writing my last Mayor's Message, I am honoured to have been elected by fellow councillors for another year. It is encouraging to find ourselves tentatively emerging from the constraints of the Covid virus too, but I am sure you will agree, it is important that we remain sensible and take precautions where it is necessary.

A couple of district council initiatives to encourage residents and visitors back into the Town centre are proving successful and our businesses have responded well. I have recently had the pleasure of cutting the ribbon to open, or re-open, five shops and our Monday Market goes from strength to strength with many new traders now attending. I visit the Market most Mondays on behalf of the council to encourage and discuss any issues traders may have. They appreciate this and have responded by encouraging other traders to give our market a try. It will be brilliant to restore our Monday Market to those vibrant days of the past.

The council have decided to form an open spaces group to build on the recent clearing up of the Toc-H land close to Shamfields Road and the proposed clearing and improvements to the Spinney area close to the recreation ground. It is hoped that councillors will be joined by residents to produce spaces that are available for everyone to enjoy. Another initiative the Town Council are eager to pursue is a thorough clean-up of the town centre and surrounding area. Many community groups have been formed in Lincolnshire to work with councils to achieve this. More details about these initiatives and how you could help will be publicised soon.

Unfortunately, over the past few months there have been many incidents of anti-social behaviour reported in and around the Town. The council is working closely with the Police and other community bodies to address this and are looking at ways of diverting this kind of behaviour. I would encourage anyone who observes or experiences incidents of this nature to report them by calling 101.

As the school holidays and easing of Covid restrictions approach, people will be together far more. I wish everyone a really happy summer break and please stay as safe as you possibly can.

Best wishes

Terry

COMMUNITY SPEED WATCH

In 2019 Spilsby Town Council decided to form a local Community Speed Watch team.

There were a number of volunteers, who all received training from the County Council Road Safety team. We met on a regular basis and noted that people were beginning to watch their speed as they drove around and through Spilsby.

All drivers who exceeded the speed limit were reported to the Road Safety Alliance, who followed this up with the Police.

Sadly, lockdown hit us and we were unable to meet. As we all know, there were a series of lockdowns. These have affected the team and our volunteer numbers are falling.

If you would like to join us, training is undertaken by Zoom. We really need your support for us to be effective again. Practical training is undertaken by experienced team members.

No, we are not doing the job of the Police Force. We are dedicated volunteers who want to make the roads safer for all of our community.

Please contact the Town Council for further information. You will be made very welcome.

Cllr Liz Day - Community Speed Watch Team.

COLLAPSED WALL AT ST JAMES CHURCH. SPILSBY

Why is the Council responsible?

At a recent meeting, Spilsby Town Councillors agreed that it is necessary to communicate with residents about the reconstruction of the wall at St James Church, as this is a large expenditure for the Council and the Town. The Council is responsible for the reconstruction of the wall because the churchyard is ‘closed’. A “closed churchyard” means that a churchyard has been closed for burials by an Order under the Burial Acts. This is detailed in section 18 of the Burial Act 1855, which is what led to the transfer of responsibility for closed churchyards to local authorities.

When a churchyard becomes closed, the responsibility for the maintenance of the churchyard transfers to the local authority, in this case, Spilsby Town Council.

Reconstruction Process

Because the wall belongs to the church, progression for commencing reconstruction work is not straightforward. An application must be approved by the diocese before work can commence. A construction design also must be approved. Specialist surveyors, structural designers and Health and Safety managers must be appointed. Then tenders are invited from approved contractors. Because the wall collapsed onto the grounds of two residential properties, work to move sheds belonging to these properties and provision of a safe working area had to be completed.

Where are we now?

Most of the provisional processes are now in place and surveyors are awaiting the submission

of contractor’s quotations. Planning permission has been granted for the reconstruction.

Costs so far.

Cost of works carried out so far: £19,771

Cost of committed expenditure: £5,371 (not including the rebuild)

Surveyors estimate of the potential cost of completion.

The Council has chosen a quotation through the tendering process. The cost of the reconstruction will be £123,631.50

How do these costs affect the Council’s finances?

Over the last few years, the Council has gradually built up reserves through the Precept. The Council currently has in the region of £120,000 in reserves. The Council has had to raise the Precept to meet the cost of the work. The decision to raise the Precept was not taken lightly by the Council. The Precept increase is reflected in the increase in Council Tax bills recently.

It is likely that a Public Works loan will be needed in the short term. This will avert a further steep increase in the Precept to pay for the reconstruction.

Why was the cost not covered through Insurance?

The Church wall was not covered by insurance prior to the collapse of the wall.

An internal investigation has been carried out to try to see why this was the case. The information from this investigation will be reported back to Council. Residents will be kept informed of the findings in due course.

The investigation will help the Council to learn from this incident. This will help to ensure that a similar occurrence will never happen again.

The wall is now insured against further damage.

This statement has been considered and has the approval of the whole of the Town Council.

Teresa Key

PCSO
Iwona Blachut

Priorities for this quarter:

Fatal 4: Throughout the whole country, speeding is a real issue for all communities. Lincolnshire Police understand this is a priority for most people, and so we will continue to carry out 'fatal four' days of action, tackling issues around speeding, using a mobile phone whilst driving, not wearing a seatbelt and being unfit to drive due to drink or drugs. We will continue to enforce the above offences by regular patrols and speed checks in hot spot locations.

DRUGS: We have listened to concerns from our local community and we have decided to set drugs as one of our priorities for this quarter. We will be working with an appropriate agency to tackle this issue. Action days will be held within our community. We will be visiting local schools and local youth clubs to deliver education in relation around drugs issues. We will also work closely with our community to assist us with developing intelligence which will help us with the enforcement.

LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter:

FORTHCOMING ENGAGEMENTS

Up and coming engagements will be announced via Next Door, where members of the public will have the opportunity to meet members of your local NPT.

ASB continues to blight the community in certain areas. We aim to focus on these areas and will be proactive and robust in our approach to tackling this kind of unacceptable behaviour. Therefore we have decided to set ASB as a priority for the next quarter. We take ASB very seriously and we will act on any report appropriately. We will be holding nights of action with a multiagency approach working with the ELDC ASB officer, the Special Constabulary, VPCSO and the Speed Reduction team.

We have now issued since 16/03/2021 12 UBWL (Unacceptable Behaviour Warning Letters) to Local People that have been consistently causing problems around Spilsby. Three of these are the stage two and a stage two pending for a local adult female.

Three of the same youths have also been arrested for allegations of a criminal offence which we are dealing with.

After a stage two UBWL we will be pursuing ASB contracts which will include local agreements with the Police such as curfews and other requirements that persistent offenders must adhere to.

Along with Spilsby Town Council we have also had a meeting and site visit with representatives of LCC regarding problems of ASB at the town centre bus shelter and what we can do with it to help stop ASB from happening around it.

All incidents of ASB must be reported to the Police and are being dealt with robustly through the ASB process as they come to our attention.

SPEEDING: Four tickets for speeding were given out in Sibsey and we will continue to do random patrols in the Spilsby beat code area.

A Big Welcome

We also have a new Community Beat Manager to add to our local Neighbourhood Policing Team PC Daniel Green. Watch this space for upcoming photo.

BUSY SUMMER MONTHS FOR LIVES RESPONDERS

LIVES.

LIVES lifesaving First Responders have been out in Lincolnshire communities responding to 999 medical emergencies, as well as spending hours each month training and perfecting their skills. The summer months often increase the number of jobs they are called to. From sporting injuries to cardiac arrests, road traffic collisions to breathing difficulties.

The volunteers, who respond in districts across the county, have now been able to return to face-to-face training as lockdown restriction ease. As well as keeping up to date on important skills, face-to-face training serves as a way of support, and it is something that the Responders missed through lockdown.

As part of LIVES' vision to make Lincolnshire the safest place to have a 999 medical emergency, the charity has been able to start going out to events and schools to teach people the importance of bystander CPR. Cardiac arrest can strike at any time and even in people who appear to be young and healthy. In fact, every week in the UK, 12 people under the age of 35 suffer from Young, Sudden Cardiac Death (YSCD). This has recently been brought in focus with the incident with footballer, Christian Eriksen.

Figures have shown that the number of people surviving out of hospital cardiac arrest has more than doubled in the last 10 years. This has been attributed to more people learning how to deliver effective CPR, as well as community defibrillators becoming more commonplace. LIVES First Responders are supplied with a kit bag and defibrillator, and are based right across the county, so if the worst happened, they could get to the incident, fast.

LIVES Responder Pippa Crust explains why she chooses to volunteer: "When I was just 15, my brother collapsed from a cardiac arrest. No-one suspected it could happen to such a young, healthy person, so no-one started CPR. It made me determined to never be in that position again, and LIVES have supported me in my training."

To keep LIVES First Responders trained, equipped and confident to be out on the road, we need to raise over £1 million every year. Last year, a series of virtual events were launched, the most recent being LIVES 51 Miles in May. The team did exceptionally, despite the unseasonably wet weather! In total, our 26 entrants managed 717 miles and raised over £1300! Every penny raised will be spent supporting the army of volunteers.

This September you can join a new cycling challenge, Lands' End to John O'Groats! If you do not want to cover the 874 miles on your own, you can join as a team and share the miles between you. The great news - you don't need to leave the county, unless you want to of course. You can instead take to the open roads of the beautiful Lincolnshire countryside, or do it from the comfort of your dining room on your exercise bike, it is entirely up to you.

If cycling isn't your thing and you have always dreamed of running the iconic London Marathon, this is the challenge for you! You can decide if you want to do the entire distance in one go, or over a week, and you can either run it or walk it. As you record your activities on Strava, you will be moved around the actual route of the London Marathon via google maps. As good as being there in person.

If you would like to talk to someone regarding bystander CPR for a group or team, or sign up to an event visit, www.LIVES.org.uk or email info@LIVES.org.uk

Spilsby Recreation Ground & Pavilion

The Spilsby Recreation Ground and Pavilion, located to the south on Ancaster Avenue, is a thriving sport and recreation facility which offers a wide variety of sporting activities for all ages. The Sports Field is the home of Spilsby Town Football Club, including the First, Second, Reserves and Junior Teams. You'll also find Bears Football Training for under 9's, Walking Football, Judo and Zumba.

The Pavilion is a function facility and meeting place for indoor sporting activities including Dance, Judo, Table Tennis and Ballet, and you'll also find Girl Guiding, Brownies and Beavers on a weekly basis. The meeting room is utilised by the WI, U3A, training companies and varies ad-hoc meetings within the area. We also offer 4 changing rooms within the Pavilion for the sports teams who use the field.

The Pavilion offers kitchen facilities, toilets and onsite parking for up to 40 vehicles.

To hire our facilities, please contact our bookings manager on 07825 545704 or search for us on Facebook.

WALKERS ARE WELCOME

Spilsby and Hundleby 'Walkers are Welcome' is a group that was formed a few years ago with a view to encouraging visitors to the town with a programme of guided walks in the local area.

Not designed just for tourists, we welcome local residents as well - anyone, in fact, who enjoys a good walk in good company. Our walks are usually four or five miles long, which takes a couple of hours, and we generally stop for a flask of coffee part way through.

We have two walks lined up for this summer: Tuesday 11th August at 10am, meet at the roadside by Linkage College, Main Road, Toynton All Saints; and Monday 27th September at 10am, meet at the layby outside Gunby Hall on the A158. We are also planning the launch of a new trail and leaflet called 'Historic Hundleby', which is currently awaiting the relaxation of Covid restrictions. It will involve tea and cake!

If you are interested in joining us, then please e-mail stef.round@gmail.com for further information, or see our website: spilsbyandhundlebywalkersarewelcome.com.

SPILSBY TOWN FOOTBALL CLUB

Spilsby Town are one of the oldest clubs not only in the county but the country, being founded back in 1881 (oldest being Notts County 1862).

We were actually playing in 1880, just not officially!

Fun fact is the highest scoring game in Sheffield Wednesday's history came against Spilsby in 1882 when the 'Sheffielders' won 12-2 in the First Round of the FA Cup!

However, local league competitions have been the level for our club with various successes winning cups and also winning the Boston & District League on numerous occasions, the most recent time being 2018/19 season, making us current champions after the last two seasons were made null and void due to Covid19.

We currently have two sides, a Reserve and First team.

Training takes place on Wednesday nights at the Recreation Ground, Ancaster Avenue, Spilsby. New players over 16 are welcome to join us.

A great club to play for and a great history to back it up!!

Contact details:

Joint Managers: Bob Green 07546 294069
Lathen Tuplin 07810 856593

SPILSBY JUNIORS FOOTBALL CLUB

Spilsby Juniors Football Club was established in 1998 and has a proud history of playing at the Recreation Ground, Ancaster Avenue in Spilsby.

We are a community club which offers FA qualified coaches who have been CRC/DBS checked for child protection.

We are always looking at ways to expand the number of teams that play in the Mid Lincs League.

Why not come and join our club?

We are looking for boys and girls, parents, coaches and managers to come and join our club for under 13, under 12 and under 8 teams for the coming season and we are even looking to start an under 7 mini kicks.

If this is of interest to you or your child then please let us know by messaging our Facebook page.

Why not support your local club?

Our club is run by hard working volunteers and parents but ultimately it is heavily supported by generous local businesses who see real benefit in giving back to the community.

There are always opportunities of supporting this great club and if this is of interest to you and your business, please contact us on our Facebook page.

SPILSBY STROLLERS WALKING FOOTBALL CLUB

Spilsby Playing Fields, Ancaster Avenue, Spilsby.

Come and join us for a fun and sometimes competitive game of walking football. Spilsby Strollers welcomes players of all abilities, from the age of 50 upwards to take part in this friendly social activity that will enable you to keep fit, stay healthy and make new friends.

We play every Tuesday from 5.30pm to 6.30pm at Spilsby Playing Fields, Ancaster Avenue, Spilsby.

If you need further information please contact:

THE BEARS' FOOTBALL COACHING -LEARN, LAUGH, PLAY

We have so much going on and are forever adding new sessions to get more children active and playing football.

We are currently running weekly football sessions in Boston, Spilsby, Coningsby, Sibsey & Heckington for children 2-11 years old.

We believe no child or toddler is too young to benefit from sport, with simple, fun games and short timespan activities to keep the most agile minds entertained.

We aim to give all children a safe learning environment where they can develop their skills and express themselves.

With us, children of all abilities and ages learn by playing in a safe and enjoyable environment supported by our dedicated team of professional coaches.

To get in touch with us to book your child onto one of our football sessions,

SKEGNESS & DISTRICT RUNNING CLUB

Skegness & District Running Club was set up six years ago by Husband and Wife, Andy & Helena Shelton as a way for anyone over the age of 15 to go out running, no matter whether you are a beginner or an experienced runner.

The Spilsby Group meet on Tuesday Evenings at 6.15pm at The New Life Centre.

There are plenty of beautiful running routes to choose from both on and off road around Spilsby, but they also do speed sessions to help you build stamina and pace.

There are Qualified Run Leaders who can support and guide you whilst out on the run.

Skegness & District Running Club also meet in Horncastle on Wednesday Evenings and Boston & Skegness on Thursday Evenings should Tuesday evening not be suitable one week.

For more information visit the Website at www.skegnessanddistrictrc.co.uk

SPILSBY LADIES HOCKEY CLUB

are a local friendly team, always on the lookout for new players.

Having won the league in 2017/18 Covid halted the last two seasons but we are now looking forward to restarting in September 2021.

Whether you are looking to pick up a stick for the first time or played years ago at school we would welcome anyone who is interested.

If you would like to join or even sponsor and support, please view our Facebook page for our most recent information:

St James Church Clock, SPILSBY

*Time seems to have stood still
Let's get moving so time
can fly again!*

How often have you looked up at the Church clock to check the time and found it is not working?

Have you ever wondered why it has not been working?

For a while the PCC has been discussing the need to restore the clock face to its former glory but since then the mechanism became problematic and has now stopped altogether. But it's not as simple as putting a new battery in and a bit of paint.

Did you know that someone went up the tower steps to wind the clock twice a week?

The work involves putting up scaffolding before any work can commence – that's the first cost. The next step is to remove the dial motion works and clock hands – that's the second cost. Finally, is the restoration of the clock face. All this will cost in excess of £8000.

Do you miss the Church clock chiming and if you do would you like to help get it repaired?

Fundraising for this is going to be difficult so we are appealing to the townsfolk and those who visit the town for shopping, socialising etc. for donations.

If you can help please send your donation to the PCC of Spilsby Parish, c/o The Vicarage, Church Street, Spilsby, Lincs PE23 5EF - it would be very much appreciated. Thank you.

It's **time** to get this focal point of Spilsby back to its former glory but we need your help.
